All modifieds will draw for position and run heat races on Friday night. Each heat race winner and the highest driver in passing points from each heat will qualify for the qualifying feature on Friday night. The finish from the qualifying feature will determine the lineup for Saturday's 60-lap \$7,000 to win feature.

All non-qualified cars will be lined up in 2 C-features & 2 B-features on Saturday, based on heat race finishes on Friday. The top 4 finishers in each C-feature will transfer to the B-features and the top 4 finishers in each B-feature will advance to the feature. Finishers 5-12 in each B-feature will start straight-up in a Last Chance Race. Winner advances to the feature. All support classes will draw/rewind.
